PASSENGER TRAIN  
GOES IN A DITCH

George B. Marsh, Wealthy  
Citizen of Nogales,  
Ariz., Dies.

Nogales, Ariz., May 9.—The Tucson passenger train to Nogales was ditched near Tubac by striking a cow on the track, injuring fireman W. H. Hickey, but not seriously. The engine went over on its side in the ditch, which derailed the mail car. An engine was sent out from Tucson to the scene of the wreck and brought in the train.

The officers of the Second squadron of the Sixth cavalry celebrated their semi-centennial at Nogales at their camp on North Morley avenue. The officers are: Troop E, Capt. D. E. L. Canfield, first lieutenant, Warner McCabe.

Troop F, first lieutenant, D. H. Biddle; second lieutenant, George Dillman. Troop G, first lieutenant, Frank Glover; second lieutenant, F. K. Rose. Troop H, captain, J. W. Furlong, commanding squadron; first lieutenant, Talbot Smith, acting adjutant, quartermaster and commissary; second lieutenant, J. B. Alessi.

The camp was brilliantly illuminated with Chinese lanterns, a gay assemblage of people was present and an elegant repast was served. Valencio's orchestra furnished music.

Jose Pacheco, a resident of Nogales and a brakeman on the Naco-Candelaria line on the freight, was killed by falling under the wheels at Naco.

A big number of people came down on the Cinco de Mayo excursion from Tucson to Nogales to attend the baseball games and ball given at the Ramirez theater in Nogales, Mexico.

George B. Marsh died at his home in Nogales, after an illness of some weeks. The funeral services were held from the family residence on North Morley avenue and interment took place in the city cemetery. Mr. Marsh was one of the wealthiest and most influential citizens of the county, having come to Arizona from Indiana in early manhood. He was active in getting the county organized in 1890 and was in public office some years and a member of the town board at his death.

He leaves a widow, Mrs. Theodora S. Marsh. Two baseball games were played with the soldier boys today and the Nogales boys, with one game for the former and the other for the latter.

SCHOOLS DEBATE  
MEXICAN AFFAIRS

Bisbee, Ariz., May 9.—The Bisbee high school debating teams, representing the affirmative and negative sides of the question, "Should the United States use military force to restore order in Mexico?" proved to the satisfaction of the judges of the debate at Douglas that the United States should remain on the north side of the international line.

line and the Bisbee team which debated for the affirmative side of the question against the Douglas negative debaters at Bisbee, proved to the judges here that it was the duty of the United States to enter Mexico and restore peace.

Through the efforts of Eugene Fox, general passenger agent of the El Paso & Southwestern, Bisbee and Douglas will have a semi-weekly standard Pullman to the coast during the summer months. The date of the beginning of the service is expected in a few days.

The Bisbee Rifle club won the third game of the season schedule in the Pacific coast rifle league, by defeating its Spokane with a margin of 56 points. In the club membership are a number of qualified marksmen and sharpshooters.

Bisbee's postoffice was closed yesterday all day for the first time in its history, postmaster Cassidy having instituted Sunday closing. The banking feature of the office bids fair to make a record, over \$6000 being deposited during the first week's business.

G. W. Ochs, local manager of the Western Union Telegraph office will leave today for California, and has been succeeded here by J. L. Miller, formerly chief clerk of the Tombstone Consolidated Mining company at Tombstone for a number of years.

W. E. Gowling, manager of the Postal office has secured a 90 day leave of absence, which with his family he will spend at Lake Superior. He is being relieved temporarily by J. M. Kimball of Little Rock, Ark.
